CENTERING AND OPENING PRAYER

I Wish I Knew How It Would Feel to Be Free

I wish I knew how it would feel to be free.
I wish I could break all the chains holding me.
I wish I could say all the things that I should say —
Say 'em loud say 'em clear for the whole round world to hear.

I wish I could share all the love that's in my heart,
Remove all the bars that keep us apart.
I wish you could know what it means to be me.
Then you'd see and agree that everyone should be free.

**I wish I could give all I'm longing to give.
I wish I could live like I'm longing to live.
I wish I could do all the things that I can do;
though I'm way overdue I'd be starting anew.**

**Well I wish I could be like a bird in the sky.
How sweet it would be if I found I could fly.
Oh, I'd soar to the sun and look down at the sea
then I'd sing cause I know how it feels to be free.**

WELCOME

PASSING OF THE PEACE

Good to Be Alive

**It's so good to be, to be here all together
It's so good to be, so good to be alive
Thank you, God, for this goodness.
So good to be, to be alive.**

We've gathered here as a family of seekers
to be transformed into what is yet to be.
This is why we sing, this is why we say today:
Thank you, God, we're on our way!

WE PROCLAIM

READINGS

Mark 6:1-13 (adapted from the New Revised Standard Version)

Jesus left the home of the synagogue's leader and came to his hometown, and his disciples followed him. On the sabbath he began to teach in the synagogue, and many who heard him were astounded.

They said, "Where did this man get all this? What is this wisdom that has been given to him? What deeds of power are being done by his hands! Is not this the carpenter, the son of Mary and brother of James and Joses and Judas and Simon, and are not his sisters here with us?" And they took offense at him.

Then Jesus said to them, "Prophets are not without honor, except in their hometown, and among their own kin, and in their own house." And he could do no deed of power there, except that he laid his hands on a few sick people and cured them. And he was amazed at their unbelief.

Then Jesus went about among the villages teaching. He called the twelve and began to send them out two by two, and gave them authority over the unclean spirits. Jesus ordered them to take nothing for their journey except a staff; no bread, no bag, no money in their belts; but to wear sandals and not to put on two tunics.

Jesus said to them, "Wherever you enter a house, stay there until you leave the place. If any place will not welcome you and they refuse to hear you, as you leave, shake off the dust that is on your feet as a testimony against them." So they went out and proclaimed that all should repent. They cast out many demons, and anointed with oil many who were sick

This is a Word of letting go.
Thanks be to God!

WE RESPOND

WE GATHER AROUND THE TABLE OF GRACE

All Who Hunger

**All who hunger, gather gladly; holy manna is our bread.
Come from wilderness and wandering. Here, in truth, we will be fed.
You that yearn for days of fullness, all around us is our food.
Taste and see the grace eternal. Taste and see that God is good.**

**All who hunger, never strangers; seeker, be a welcome guest.
Come from restlessness and roaming. Here, in joy, we keep the feast.
We that once were lost and scattered in communion's love have stood.
Taste and see the grace eternal. Taste and see that God is good.**

**All who hunger, sing together; Jesus Christ is living bread.
Come from loneliness and longing. Here, in peace, we have been led.
Blest are those who from this table live their lives in gratitude.
Taste and see the grace eternal. Taste and see that God is good.**

I can see it clearly deep in your eyes
I see you're tired of struggling with life
with each reprise, the vicious cycle never dies.
But, I also know there's always a chance;
that life can offer new ways to dance.
God is at hand, the Spirit calls beyond your plans.

**Let's trust it can happen, allow it to happen,
release fear, replace it with hope everlasting.
Let's paint all our faces *color esperanza*
enticing the future with wide, open hearts.**

WE ARE THE CHURCH OF THE VILLAGE

The Church of the Village is a progressive and radically inclusive community that is committed to dismantling racism, sexism, and all forms of oppression. The foundation for all of our theology and practice is Jesus' instruction to "love God with all your heart, soul, mind, and strength and love your neighbor as yourself."

We seek to build a world overflowing with justice, mercy, kindness, and compassion.

Our church building stands on ancestral lands of the Lenape people. The colonizers who stripped indigenous peoples of their lands used Christianity to justify their actions. We are beneficiaries of a history of appropriation, slavery, and forced migration. We repent and commit to being a community that seeks to repair the harm done to indigenous peoples and build new pathways to love and justice.

We celebrate human diversity – welcoming people of every color, nationality, sexual orientation, gender identity and expression, physical and cognitive ability, and economic status. We strongly support environmental justice and stewardship of the Earth. We believe many roads lead to God and are respectful of a diversity of spiritual paths. We believe our community flourishes with many points of view, opportunities for creative expression, and participatory worship.

Families give support, and families need support. Here at The Church of the Village, we choose to be family for one another, and we each strive to do our part. Every member of The Church of the Village family has gifts to bring.

The practice of regular giving in any amount recognizes God's abundance and strengthens our family. It builds our relationships with one another and expresses our trust in God's love. It does not matter how large or small the contribution, each donation adds to the flourishing of the family! What's important is that we do this together, with each family member doing their part as they are able. As we hear in 2 Corinthians 8:12:

*For if the willingness is there, the gift is acceptable according to what one has,
not according to what one does not have.*

We all work together as members and supporters of our spiritual community to foster the ministries and mission of the Church of the Village. Here are ways you can offer your gifts:

- **BANK TRANSFER:** You can make individual gifts or your regular pledged offering by setting up an electronic bank transfer from your account to the church's account; there are no fees for this service to you or to the church.
- **VENMO:** You can also give online using [Venmo](#) – a digital wallet that lets you make and make payments or gifts via your mobile device with no fee. On Venmo, you can find us by typing: @COTVNYC. Venmo can be downloaded, for free, for iOS and/or Androids using your respective app store.
- **VANCO:** [Vanco](#)'s simple online payment processing services and giving app make it easy to give when and where you want.
- **CHECK:** you can send a check payable to "The Church of the Village," and mail it to:
Church of the Village
PO Box 167
New York, NY 10113

For assistance with using any of these methods or to talk about remembering Church of the Village in your will, email giving@churchofthevillage.org. Please note - emails to this address should be about how we can help you set up your giving process but should NOT include any specific information about pledge amounts, gift amounts, or any other confidential information from the individual sending the message.

*Thank you for being a part of the family of The Church of the Village
and supporting the work and ministry of this community!*

Wednesdays; 6:30pm

The Way to Heaven is a twentieth-anniversary revision of John Wesley's Message for Today.

Dr. Steve Harper presents Wesley's writings and the ideas of Wesley scholars in language that is clear and accessible but never simplistic. Written in the spirit of Wesley, here are "plain words for plain people." The heart of this book is a thoughtful and inspiring look at Wesley's theology of grace and its power to transform.

THE RED DOOR PLACE (HOPE FOR OUR NEIGHBORS IN NEED)

Donations, in person, to the program can be made Mondays, Tuesdays, Fridays, and Saturdays, from 9am to 3pm. Ring the bell on the red door on 13th street or call the number posted at the door.

Food Pantry: Tuesdays from 3:30 – 5:30pm. No early line up permitted before 3pm.
Lineup will begin behind the rope at 3pm on the corner of 7th Avenue and 13th Street.

We will continue to hand out bags of food on Saturdays beginning around 11:30am. Guests may arrive earlier to get a place in line; we have chalk marks on the sidewalk at 6-foot intervals to indicate where people should stand at a safe distance.

THE RED DOOR PLACE – NEEDS MONEY FOR FOOD!

The huge increase in unemployment and homelessness means that The Red Door Place has gone from providing food for 1,700 persons before the pandemic, to 2,500 in April, to now more than *4,000 persons every week*. TRDP has plenty of volunteers. **What we need is money.** We are desperately trying to keep enough food coming in to give out to every guest. TRDP is one of only a few emergency food programs in Manhattan still giving out a significant amount of food to each guest at the pantry on Tuesdays and still offering a hot meal on Saturdays.

IF YOU WANT TO HELP, ask your employer, your family, your friends to GIVE! Put out an appeal on your Facebook page. Email people you think would be able to donate.

TO MAKE A DONATION, you can donate online using VENMO app – by typing @COTVNYC. Or, VANCO's simple online payment processing services and giving app makes it easy to give when and where you want. Or, send checks made payable to Church of the Village and write The Red Door Place (TRDP) in the memo line. Mail to: Church of the Village, PO Box 167, New York, NY 10113.

GIVE TO THE CHURCH OF THE VILLAGE ON VENMO

The Church of the Village is now on Venmo – a digital wallet that lets you make and share payments with friends via your mobile device at no additional charge. Both the sender and receiver have to live in the U.S. Venmo can be downloaded, for free, for iOS and/or Androids using your respective play store. Look us up @COTVNYC.

OUR ADVENTURE IN ONLINE-ONSITE COMMUNITY

On Easter Sunday, April 4, 2021 – for the first time since the pandemic shutdown in March 2020 – a group of leaders and artists led portions of worship from the church building in Manhattan (New York City). On April 25, a larger group gathered onsite to celebrate the Baptism of Robert Jairo Morant. On May 23, 2021, a small cohort of members of Church of the Village came to the building to participate in worship. These developments are very exciting and meaningful for those who had been away from this beloved space for more than a year. They were also meaningful for those online who have never and may not ever step foot in the building. Our hope is that by early September, we will be able to open the Sanctuary to all members and supporters who wish to attend and to the public.

As a faith community, the Church of the Village is no longer tied to a building. This is only the beginning and is part of a much bigger vision for our community.

We are not “re-opening” because the Church of the Village never closed – we only shifted our ministry to be completely online for a year. As the world slowly emerges from the Covid-19 pandemic, there’s been no thought among the Church of the Village leadership of “going back” to the way of “doing church” before the pandemic. Our reality and reach has changed dramatically in a year. We continue to attract worshippers and receive new members from across the U.S. and beyond its borders, as well as from the New York City area. **We are on a journey and living into becoming a fully online and onsite community.**

People are attracted to the Church of the Village because of our progressive theology, radical inclusivity, extravagant welcome, and focus on social, economic, and climate justice. Many who worship with us or decide to join cannot find this sort of faith community where they live. We believe it is God’s desire that each of us have the chance to have as full a life as possible by seeking the common good in healthy community together. So we are committed to building an online and onsite community to reach as widely as possible. With this vision for online and onsite community, we can re-imagine John Wesley’s vision and say that the whole world, literally, can be our parish.

We encourage you to participate in as many online and onsite opportunities in the Church of the Village community as possible. Consider how you can contribute to the thriving of our lives together. If you want more information on how to connect with Church of the Village, contact [Pastor Jeff Wells](#) or [Pastor Alexis Lillie](#).
